3.2 Coverage and Data Transmission: The access and use of the Communication Network, Global Position System ("GPS") network, and the Internet are dependent on the coverage and calling areas of networks owned by, operated by, and under sole control of third parties, and are made available to Client, subject to availability, over which Pedigree assumes no control. Client acknowledges that Pedigree is not responsible for limits in Communication Network coverage, loss of GPS signal or internet accessibility, due to (i) environment variables or performance degradation; (ii) due to any actions of third-parties outside the control of Pedigree; or (iii) transmissions from Hardware antennae that have an obstructed view of the sky, are in enclosed spaces, in buildings, between tall buildings, underground or in canyons or similar line of sight obstructions.

3.3 Client acknowledgements. Client acknowledges that (i) Client Information collected by the Hardware while out of coverage, without access to the Communication Networks, or outside a reporting interval may not be able to be stored and forwarded, and/or retrieved by Client when coverage or calling connectivity is restored; (ii) Client Information may not be in real time and delays in receipt of data are normal; (iii) data collected by Hosted Applications will be stored on a Pedigree server for not less than three hundred and sixty-five (365) days, which data, after such three hundred and sixty-five (365) days, may be archived or purged at Pedigree's sole discretion, provided Client is given at least 30 days prior written notice; and (iv) Client assumes the entire risk in downloading or otherwise accessing any data, information, files or other materials obtained from the Pedigree's business support network or any Hosted Applications; (v) Hosted Applications, which provide location or directional information are to be used only as an aid in planning, as with any maps or driving directions, Client should always recheck directions and driving conditions for accuracy and confirm that the road still exists, be aware of construction and other hazards and follow all safety precautions and the law; and (vi) due to the factors described in this Agreement and Section 3.3, the Client Information and data transmitted through Hardware may not get to its intended destination in real time and Client should plan accordingly. Client acknowledges and agrees that the

amounts due to Pedigree for services provided pursuant to any OneView Contract Agreement and the Master Agreement are not subject to reduction, abatement or setoff due to any interruption in service, access or use arising from or associated with any circumstances described in this Section 3.

3.4 Access Limit. Pedigree reserves the right, as required and without advance notice to Client, to control, restrict, and/or disable Clients' hardware communication over the Communication Network to prevent any negative impact to other Clients and/or the Hosted Application.

4 Fees and Other Charges.

4.1 Fees. During the term of this Agreement, Client agrees to compensate Pedigree as set forth in (i) any OneView Contract Agreement that is executed by the Parties as a part of the Master Agreement and (ii) this T&C, including Section 4.8 hereof. All fees and charges are in U.S. dollars. Fees are subject to change and may be adjusted prior to the execution of a OneView Contract Agreement, or after the end of a then current Term. Client may not abate, reduce, or set-off any amounts due under any Pedigree invoice other than as provided for under Section 4.7, but shall pay any such amounts to Pedigree in full when due and shall only seek a refund or return of amounts paid pursuant to the procedures for disputed charges set forth in Section 4.7 hereof.

4.2 Monthly Client Fees. Monthly Client Fees shall include all fees due for Communication Network, Hosted Applications and Pedigree financed Hardware as applicable and as set forth in the OneView Contract Agreement. Client shall pay the Monthly Client Fees for each Hardware unit, regardless of activation date, to be activated on the Communications Network or Hosted Application specified in the applicable OneView Contract Agreement, beginning on the Term Start Date.

4.3 Termination Fee. Should this Agreement be terminated or a Hardware unit deactivated prior to when a Hardware unit has completed an individual term as specified in the OneView Contract Agreement, Client shall pay a termination fee equal to the applicable Monthly Client Fees due for the remainder of the OneView Contract Agreement period, as either applies to the terminated Agreement or to the deactivated Hardware unit(s) (as the case may be).

4.4 Other Fees and Charges. Pedigree reserves the right to charge for additional services requested by Client outside the scope of this Master Agreement and then existing OneView Contract Agreements, including but not

limited to: development services; professional services; Hosted Application data recovery; on-site training; on-site hardware install, repair, servicing, or activation; invoicing to multiple sites; shipment expediting or shipping to multiple locations; or custom reporting. Charges for such services shall be negotiated between the Parties and evidenced in writing. Pedigree has no obligation to provide any such services absent a written agreement.

4.5 Taxes. All prices and rates on the Schedule(s) of Charges to be provided under this Agreement do not include sales, use, excise, GST, or other transactional taxes (“**Taxes**”). These taxes may be included in charges detailed on Pedigree’s invoice to Client unless Client provides Pedigree with a tax exemption certificate annually that is acceptable to applicable taxing authorities. Client will hold Pedigree harmless from all claims and liability arising from Client's failure to support or pay any such taxes, including but not limited to duties, tariffs or charges.

4.6 Invoices. Unless otherwise provided in the OneView Contract Agreement, Client agrees to make payment in full of all undisputed charges not later than thirty (30) days after the invoice date (“Due Date”). Overdue payments may, at Pedigree’s sole discretion, be subject to late charges, in an amount equal to 1.5% of the amount then due for each month, or portion thereof, that said overdue payments are not made (or such lesser rate as may be the maximum permissible rate under applicable law), and compounded monthly. In addition, Pedigree may also suspend Client’s access to the Hosted Application and Communication Network, with five (5) days written notice, and/or suspend any Hardware shipments if Client has not made payment in full by the Due Date. Client shall also reimburse Pedigree for Pedigree's reasonable collection and litigation expenses, including reasonable attorney's fees, incurred by Pedigree to collect any late payment and Client shall be required to pay a reinstatement fee of \$25 per Hardware device to reactive any suspended access to the Hosted Application and/or Communication Network. Pedigree shall send all invoices to Client as directed in the applicable OneView Contract Agreement.

4.7 Disputed Charges. CLIENT ACKNOWLEDGES AND AGREES THAT ANY CLAIMS IT MAY HAVE AGAINST PEDIGREE UNDER THE TERMS OF AGREEMENT SHALL BE MADE SOLELY AGAINST PEDIGREE AND NOT ANY ASSIGNEE OF PEDIGREE, NOTWITHSTANDING ANY CREDITS, OFFSET RIGHTS, OR CANCELLATION RIGHTS THAT MAY BE PROVIDED FOR HEREIN UNDER THIS AGREEMENT. In the event Client, in good faith,

disputes any charges stated in a Pedigree invoice, such dispute shall not relieve Client's obligation to make such payment. However Client may seek reimbursement or credit from Pedigree for all or a portion of any invoice in dispute in the manner provided for herein, provided that, within fifteen (15) days of receipt of such invoice, Client (i) notifies Pedigree in writing of the disputed charges, specifying in detail the disputed amount(s), the specific Client details pertaining to the disputed amounts and the basis of the dispute; (ii) pay all invoiced amounts; and (iii) uses all reasonable efforts to promptly resolve the dispute. Pedigree shall have sixty (60) days from the date of Client's notification hereunder to provide Client with Pedigree's response in connection with a disputed item. If the Client fails to provide Pedigree with such written notice of the dispute within fifteen (15) days of the invoice date, then Pedigree shall have no obligation to investigate or reimburse any paid invoices to Client and the Client waives any rights to dispute such charges and shall pay all amounts specified in the applicable invoice by the due date specified in such invoice, without any abatement, reduction or set-off. If any such dispute remains unsettled after sixty (60) days, the Parties agree to submit such dispute to a mutually acceptable Registered Mediator located in the State of North Dakota with the mediation to be conducted in person or telephonically, and conduct good faith pre-suit mediation prior to filing a complaint in any court. Client's only recourse is to seek indemnification from Pedigree for the amount of such disputed claims and reimbursement for any paid invoiced amounts. In the event either Party must resort to mediation or suit pursuant to this Agreement, the prevailing Party shall be entitled to the award of reasonable attorneys' fees (including costs of court) in addition to the non-prevailing Party's liabilities and obligations set forth herein.

4.8 Client Credit. Client acknowledges and agrees that Client must satisfy Pedigree's credit criteria then in effect, from time to time, to receive continued access to the Licensed Technology, if Client allows any payment to Pedigree to be overdue by more than sixty (60) calendar days.

4.9 Additional Purchases. Unless otherwise agreed in writing, client shall execute an additional OneView Contract Agreement (Addendum) for all subsequent purchases of Hardware and/or Services, including any component of the Licensed Technology. Once a OneView Contract Agreement has been executed by Client and accepted by Pedigree, such OneView Contract

Agreement is considered firm and cannot be cancelled or changed by Client without Pedigree's written consent.

5 HARDWARE Delivery, Maintenance and Repair.

5.1 Point of Delivery. All Hardware purchased by Client from Pedigree is shipped Free on Board (FOB) shipping point (Incoterms 2016) from a Pedigree-designated warehouse facility. Pedigree shall arrange and pay for the shipping and handling, but such charges shall be billable to Client, unless otherwise provided in the OneView Contract Agreement, of such Hardware from its warehouse to the shipping address specified in the OneView Contract Agreement. Client shall be responsible for insurance and bear all risk of loss for such Hardware upon shipment to Client's shipping address.

5.2 Hardware Installation. Client shall be solely responsible for (i) the installation of Hardware, unless Installation Services are purchased from Pedigree and included in the OneView Contract Agreement; and (ii) for all integration with any hardware and/or software applications not purchased from Pedigree. "Installation" shall mean attachment of Hardware and its related accessories, if required to the Client's vehicle or other asset. If Installation is purchased from Pedigree, the Parties shall each make commercially reasonable efforts to schedule and complete Installation within thirty (30) days of receipt of Hardware by Client. Purchased installation services will be provided by Pedigree Employees or Certified 3rd Party Installation Vendors. Standard Installation hours are between 7:00 a.m. and 6:00 p.m., Monday through Friday, Client's local time. Client shall be charged \$75 per vehicle for each vehicle that was scheduled for installation but was not available within thirty (30) minutes of the scheduled installation time or if the installation scheduled time is changed by Client less than twenty-four (24) hours prior to such scheduled installation. Client also agrees to provide a reasonably safe work environment at the installation site. Client acknowledges that, in connection with the installation, Pedigree may modify or alter, including without limitation drill holes, cut panels and body or rewire Client's vehicles or other assets. Pedigree will not be responsible for, and makes no assurances regarding, the restoration of Client's vehicles to their unmodified or unaltered condition.

5.3 Hardware Warranty. Pedigree shall provide a standard limited warranty on new Hardware provided to the Client by Pedigree, for a Warranty Period of one (1) year from date of Shipment to Client's shipping address,

except in the case of a “OnePrice” contract (wherein the charges for hardware and services are included in one monthly amount). In the case of a “OnePrice” contract, Pedigree shall provide a special limited warranty for a Warranty Period equal to the initial term of the OneView Contract Agreement. During the Warranty Period, the Hardware shall be repaired by Pedigree (or its third party vendor) due to issues related to materially defective materials, materially faulty workmanship, or incapability of connecting to Communications Networks. These obligations shall not apply to: (i) hardware normally consumed in operation (including, but not limited to, fuses, cables, antennae, batteries and mounting brackets); or (ii) defects which, due to no fault of Pedigree, are the result of: (a) Client’s unauthorized or improper use of the Hardware (improper operation and/or use with other equipment); (b) detrimental exposure to weather, water, and/or fire; (c) involvement in any accident, explosion, or Act of God; (d) tampering, alteration or repair by any party other than Pedigree or its authorized installers without Pedigree's prior written consent; or (e) broken seal, improper storage, installation or implementation, alteration to external antenna by Client.

5.4 Return Authorization. Pedigree shall perform maintenance after proper notification by Client that any Hardware purchased from Pedigree is not in Good Working Order. Proper notification will be deemed to have occurred only after (i) Client has worked with Pedigree's customer support team to evaluate, troubleshoot and test any unit that does not appear to be in Good Working Order; (ii) Pedigree’s customer support team determines that the Hardware cannot be repaired over the phone or over the air, and Client is assigned a Return Material Authorization Number (“**RMA**”); and (iii) Client de-installs and returns the failed Hardware to a Pedigree-designated facility for repair. Client shall be responsible for all costs associated with the de-installation of the Hardware deemed not to be in Good Working Order, including shipping costs to Pedigree’s facility, and all risk of loss in transit to and from Client’s location. The assigned RMA shall be clearly visible on each shipping form and associated shipping carton; and (iv) Client shall be responsible for the installation of the repaired or replacement Hardware.

5.5 Under Warranty Repairs. Pedigree shall return the Hardware, or new or reconditioned Hardware, at Pedigree’s option, free of charge to Client via best way ground, unless otherwise specified by Client (with additional costs thereof to Client’s account). Pedigree's obligation is limited to restoring the Hardware to Good Working Order. Should Client send Hardware to be

repaired under this Section 5 that is not covered by the Warranty Period or was in Good Working Order when received, Client shall be charged for Non-Warranty repairs and costs of return shipment.

5.6 Non-Warranty Repairs. Upon issuance by the Client of a purchase order including return shipping costs, all work performed on Hardware outside the Warranty provisions of this Agreement shall be done on a time and materials basis, with the hourly rate for non-Warranty repairs to be \$150.00. Notwithstanding the foregoing, Hardware sent in for repair for which no problem was found shall be charged at a rate of \$150.00. Retail price will be charged for any Hardware replaced that is not covered under standard Warranty terms. Pedigree may, in its sole discretion, replace defective Hardware with new or used comparable Hardware manufactured by the same or other manufacturers.

6 SUPPORT.

6.1 Support. Pedigree's Licensed Technology support is available by telephone or e-mail Monday through Friday, from 7:00AM to 6:00PM (Central). E-mail or voice-messages received outside of these business hours shall be responded to within the next business day.

6.2 File Security. Client acknowledges that it is technically possible for third parties to monitor data traffic over the air via the Communication Networks. If Client desires to secure its transmissions, Client will be solely responsible for providing encryption and security for its data.

6.3 Hosted Applications. Pedigree will, at its own expense, provide for the hosting of Hosted Applications and if applicable, Communications Networks. Pedigree may enter into an arrangement with one or more third parties for the performance of Pedigree's obligations under this Agreement. During the Term, Client shall receive support, upgrades, revisions, enhancements and extensions to the extent provided by Pedigree or its third-party vendors for the Licensed Technology.

7 TERM.

7.1 Effective Date and Term. Unless terminated earlier as provided below, the Master Agreement will become effective on the Effective Date as provided in the OneView Contract Agreement (and any applicable Addendums), and will continue in effect for the period stated in the OneView Contract Agreement (normally thirty-six (36) months) from the Term Start Date (the

“Initial Term”). Thereafter, unless otherwise provided in the OneView Contract Agreement, the Master Agreement will automatically be renewed for successive twelve (12)-month terms unless either Party gives written notice of intent not to renew the Agreement at least ninety (90) days prior to the end of the then current term.

7.2 Termination for Breach. Either Party may terminate this Agreement if the other Party breaches any of its material obligations under this Agreement and fails to cure such breach within thirty (30) days of written notice thereof. In addition, either Party may terminate this Agreement following the other Party’s failure to cure any of the following, within five (5) days of written notice thereof, upon: (a) the other Party’s provision of a materially false statement or representation; (b) the other Party’s insolvency, (c) the other Party’s failure to pay debts as they come due; (d) assignment of the other Party’s business entity for the benefit of creditors; (e) the other Party’s application for or consent to the appointment of a custodian, receiver or trustee for the other Party’s or a substantial part of such Party’s property or business; or (f) the other Party’s institution of bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors by or against such Party. In addition, Pedigree may terminate the Master Agreement if Client breaches any of its payment obligations to Pedigree and has not cured such breach within five (5) days written notice of such failure to make a required payment. Each of the foregoing is referred to and shall be deemed a “Default” for all purposes of the Master Agreement. Notwithstanding Client’s rights of termination, it shall remain bound by the terms and provisions of Section 7.3 herein.

7.3 Client’s obligation to make payments provided for in this Agreement and all of its other obligations herein are absolute and unconditional and are not subject to any abatement, set-off, defense or counterclaim for any reason whatsoever. Notwithstanding the foregoing, Client may seek reimbursement or indemnification from Pedigree for any good faith claim it makes against Pedigree on account of a material breach of the terms of this Agreement by Pedigree.

7.4 Return of Equipment and Materials Upon Termination. Upon termination of this Agreement, The Parties shall immediately return the other Party’s Confidential Information Materials to the disclosing party. In the case of Pedigree financed Equipment (ONEPRICE, Lease, etc.), Client may retain the delivered and/or installed Equipment, subject, of course, to payment of the

Termination Fee. Until the termination fee is paid, however, the Pedigree financed equipment remains as collateral for the financing, and as such may not be retained, sold, transferred, destroyed, or otherwise disposed of without Pedigree's express written consent.

8 DISCLAIMERS, EXCLUSIONS AND LIMITATION OF LIABILITY.

8.1 DISCLAIMER. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE HARDWARE, THE LICENSED TECHNOLOGY AND ANY OTHER MATERIALS, SOFTWARE, DATA AND/OR SERVICES PROVIDED BY PEDIGREE ARE PROVIDED "AS IS" AND "WITH ALL FAULTS," AND PEDIGREE EXPRESSLY DISCLAIMS ANY AND ALL OTHER PROMISES, REPRESENTATIONS AND WARRANTIES OF ANY KIND OR NATURE, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF NON-INFRINGEMENT, NON-INTERFERENCE, VALUE OR ACCURACY OF DATA, AS WELL AS ANY WARRANTIES OF MERCHANTABILITY, SYSTEM INTEGRATION, FITNESS FOR A PARTICULAR PURPOSE, FITNESS FOR USE FOR LIFE SUPPORT OR EMERGENCY SITUATIONS OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. NO WARRANTY IS MADE BY PEDIGREE ON THE BASIS OF TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE. PEDIGREE DOES NOT WARRANT THAT THE LICENSED TECHNOLOGY OR ANY OTHER INFORMATION, MATERIALS, TECHNOLOGY OR SERVICES PROVIDED UNDER THIS AGREEMENT WILL MEET CLIENT'S REQUIREMENTS OR THAT THE OPERATION THEREOF WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT ALL ERRORS WILL BE CORRECTED. CLIENT ACKNOWLEDGES THAT PEDIGREE'S OBLIGATIONS UNDER THIS AGREEMENT ARE FOR THE BENEFIT OF CLIENT ONLY.

8.2 PEDIGREE LIMITATIONS OF LIABILITY. EXCEPT WITH RESPECT TO ITS OBLIGATIONS UNDER SECTION 9.1 AND 10, IN NO EVENT SHALL PEDIGREE BE LIABLE FOR AND CLIENT HEREBY WAIVES ITS RIGHT TO CLAIM, ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) DIRECTLY OR INDIRECTLY RELATING TO OR ARISING OUT OF PEDIGREE'S BREACH OF THIS AGREEMENT OR CLIENT'S INABILITY TO USE THE LICENSED TECHNOLOGY OR ANY PART THEREOF, EITHER SEPARATELY OR IN COMBINATION WITH ANY OTHER

COMMUNICATIONS FACILITIES OR IN CONNECTION WITH ANY SERVICES, PERFORMED OR NOT PERFORMED BY PEDIGREE UNDER THIS AGREEMENT, OR FOR ANY OR ALL LOSS OR DAMAGE DIRECTLY OR INDIRECTLY RELATING TO OR ARISING OUT OF A THIRD PARTY'S UNAUTHORIZED ACCESS TO CLIENT'S DATA TRANSMITTED REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEN OR UNFORESEEN, EVEN IF PEDIGREE HAS BEEN ADVISED OF THE POSSIBILITY THEREOF. PEDIGREE'S MAXIMUM AND SOLE LIABILITY TO CLIENT FOR SERVICES HEREUNDER, SHALL BE LIMITED TO CLIENT'S DIRECT DAMAGES, WHICH SHALL IN NO EVENT EXCEED THE AMOUNT PAID TO PEDIGREE BY CLIENT UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING CLIENT'S WRITTEN NOTICE OF PEDIGREE'S BREACH OF THIS AGREEMENT. IF THE HARDWARE DOES NOT MEET THE GOOD WORKING CONDITIONS SET FORTH IN THIS AGREEMENT DURING THE WARRANTY PERIOD, THE ENTIRE LIABILITY OF PEDIGREE, AND THE EXCLUSIVE REMEDY OF CLIENT, SHALL BE REPAIR OR REPLACEMENT OF SUCH HARDWARE. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION IN THE AGGREGATE, INCLUDING, WITHOUT LIMITATION, EQUITABLE CLAIMS, BREACH OF CONTRACT, AND BREACH OF WARRANTY, PEDIGREE'S NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATION AND OTHER TORTS.

8.3 Essential Basis. The Parties acknowledge and agree that the disclaimers, exclusions and limitations of liability set forth in this Section 8 form an essential basis of this Agreement, and that, absent any of such disclaimers, exclusions or limitations of liability, the terms of this Agreement, including, without limitation, the economic terms, would be substantially different.

9 INDEMNIFICATION.

9.1 Indemnification of Client. Pedigree agrees to indemnify, defend and hold harmless Client from and against any and all losses, liabilities, costs (including reasonable attorneys' fees) or damages resulting from any claim by any third party that the Hardware manufactured by Pedigree, Hosted Applications or Pedigree Marks infringe such third party's intellectual property rights under the applicable laws of any jurisdiction within the United States of

America, provided that, notwithstanding the foregoing, Pedigree will have no obligation to indemnify Client if the alleged infringement arises, in whole or in part, due to modification of the foregoing by Client or upon Client's request or direction or due to unauthorized use by Client. If any claim for which indemnity is or may be sought is made or appears reasonably possible, Client agrees (i) promptly to notify Pedigree in writing; (ii) to cooperate with Pedigree, and to allow Pedigree sole authority to control the defense and settlement of such claim; and (iii) to permit Pedigree, at Pedigree's sole discretion, to enable Client to continue to use the Licensed Technology or to obtain licenses for, modify or replace any such infringing material to make it non-infringing, provided that, if Pedigree determines that none of the foregoing alternatives is reasonably available, Client will, upon written request from Pedigree, cease use of, and, if applicable, return, such materials as are the subject of the relevant infringement claim.

9.2 Indemnification of Pedigree. Client agrees to indemnify, defend and hold harmless Pedigree and its third-party vendors from and against any and all losses, liabilities, costs (including reasonable attorneys' fees) or damages resulting from any claim arising out of or relating to: (i) any claim by any third party that any of the Client Marks, or any of the Client's data or forms transmitted via the Licensed Technology infringes such third party's intellectual property rights; or (ii) any claims, demands or liability, including any losses, costs, expenses, and attorney's fees, arising out of or resulting from any injury, including death, to persons or damage to property caused, directly or indirectly, by the Licensed Technology due to the negligent acts or omissions of Client.

10 CONFIDENTIAL INFORMATION

10.1 Ownership of Confidential Information. Both Parties agree that all items of Confidential Information are proprietary to the disclosing Party or third party, as applicable, and will remain the sole property of the disclosing Party or such third party.

10.2 Mutual Confidentiality Obligations. Each Party agrees as follows: (i) to use Confidential Information disclosed by the other Party only for the purposes described in this Agreement; (ii) that such Party will not reproduce Confidential Information disclosed by the other Party, and will hold in confidence and protect such Confidential Information from dissemination to, and use by, any third party; (iii) that neither Party will create any derivative

work from Confidential Information disclosed to such Party by the other Party; (iv) to restrict access to the Confidential Information disclosed by the other Party to such of its personnel, agents, and/or consultants, if any, who have a need to access the information and who have been advised of and have agreed in writing to treat such information in accordance with the terms of this Agreement; and (v) to return, or at the other Party's request destroy, all Confidential Information disclosed by the other Party that is in its possession upon termination or expiration of this Agreement.

10.3 Confidentiality Exceptions.
